

REFEREE REPORT FORM

NATIONAL EUROPE CENTRE

VISITING FELLOWS PROGRAM 2008

Application deadline: 14 January 2008

It would be helpful to the Selection Committee if referees would provide comments on the application that has been submitted for consideration to our 2008 Visitors Program.

In framing the response, referees should address the following:

- the applicant's academic/professional track record;
- the relevance of the proposed project to the Centre's identified themes;
- the wider benefit of the proposed project to Europe/Australia relations;
- the applicant's suitability to participate within an interdisciplinary research environment and his/her potential to develop joint projects with other scholars working at the Centre or elsewhere in Australia.

Please send this cover page with your report.
